Background

The One-Stop Management Information System (OSMIS) provides two reports for the Agricultural Employment Services program to provide data, as required by the United States Department of Labor Employment and Training Administration, on Migrant and Seasonal Farmworkers under the Monitor Advocate program.

Location

The ETA 5148 reports are located on the On Demand Reports tab and are titled “ETA-5148 (A) and ETA-5148 (B)”. Access is limited to ES Admin OSMIS user roles.

The screenshot shows the Michigan Works! One Stop MIS interface. The user is logged in as FLYNNT. The navigation menu includes Applicant Search, Case Management, Help/Info, On Demand Reports, and Special Functions. The 'On Demand Reports' menu is open, showing options like Participant Reports, ETA Performance Reports, ETA-5148 Report (A), ETA-5148 Report (B), ETA-9173 Apprenticeship Report, QRA Report, TAADI Report, and Query Statistics. A red arrow points to the 'ETA-5148 Report (A)' and 'ETA-5148 Report (B)' options. Below the menu, a table displays a list of entries with columns for Notice Date, Expiration Date, and Attention.
